Dave's Faves

Dear Ravers,
I have just bought my second copy of your mag and I am more than pleased with it. The main thing I started buying it for was the "Mum's The Word" feature. It's a real turn-on for me to see those lovely big swollen bellies. It's something I have been looking for in a magazine for ages.

The pictures of a very pregnant Steph in Ravers Vol 1 No. 12 are excellent, especially the last full page one of her showing that big gaping fanny, which I love to see. They are a nice selection of poses, but I would also love to see a profile shot in each set so we can see the true size of their bellies. You said you'll be publishing more pictures of Steph in the near future, I look forward to them. **(Try Ravers Vol 2 No. 6–Ed Asst)**

I also enjoy the wives pictures, especially Mandy from Essex on page 74. The picture where she is bending right over holding her ankles, giving us a gorgeous view of her arse and snatchbox. It's my favourite pose as everything can be seen in one shot. Jane from Humberside was very arousing as well, with her bush untrimmed, then trimmed.

Who was that dark haired girl in the "Rave On" article on page 31? **(That would be the gorgeous, big-titted Alicen – Ed Asst)** I would have like a good close-up of her – her fanny looks enormous! Can we also have more girls with enormous tits please, I find seeing a really slim girl with huge tits, that are out of proportion, entertaining and amusing. Keep up the good work, looking forward to the next issue.

David B, Yorks.

Swapped For An Older Model

Dear Rave On,
My name's Andrew and I'm 26 and going out with a very sexy girl called Sheena. But what I'm really writing to you about is her mum Jackie. When I first met Jackie she was all dressed up to go out horse riding with her friends. She had a lovely arse and I could see her skimpy knickers through her tight jodhpurs. I began fantasising about fucking her and spunking over her face and arse.

I stayed at Sheena's most weekends and got to feel quite at home there. Sheena's dad had left home years ago, and although Jackie had lots of friends I couldn't work out if she was shagging anyone. The only bloke around her was Bill, who was like an uncle to Sheena, but Sheena refused to believe that Bill could be fucking her mum. Well I proved her wrong.

It was Sunday morning and I went downstairs to get a drink when I heard noises coming from the kitchen, moans in fact! I looked through the crack in the door and there was Jackie on her knees sucking Bill's enormous cock! She had a tennis outfit on and she'd slipped a hand under her short white skirt and wanked herself through her skimpy white knickers. What a sight! I had my cock out and wanked furiously.

She then bent over the table and told Bill to fuck her good and hard, which he did, whipping his cock out just in time as he sprayed her arse with thick spunk. It was all too much for me and I came in my hand and sneaked back upstairs. My mind began working overtime on how I could get to fuck Jackie. I had an idea, I knew Bill fancied Sheena. He'd watched her grow up and blossom into a a very sexy girl. So one day I put it to him straight, if he'd let me fuck Jackie, I'd let him fuck Sheena. He was shocked at first, but admitted the idea of fucking Jackie's 'little girl' was very appealing.

I knew Sheena found Bill quite attractive as he kept himself in good shape and when Sheena gets going she's open to suggestions. I got her to dress up in her schoolgirl uniform, she was probably thinking she was going to get my cock, but Bill was outside the bedroom door, cock in hand, waiting for the right moment. She looked fucking horny as she went over to the drawer to get her dildo. She put on a great act, rubbing the phallus all over her

Given the Ed's love of ankle socks, cotton panties and ponytails, we had to open this Uniform Spesh with Susan in all her glory. She's a little bit terrific, isn't she? Susan's one of those girls who not only looks lovely in a jolly hockey sticks outfit, but fantastic when she's wriggling her way out of it, too. This, for me, is the highlight of the magazine. I know, I know, we've peaked a bit early, but tough. This is my favourite uniform and I don't care who knows. She's absolutely cocksuckingtastic, and no mistake. Blimey, I hope I can make it through to the nurse set!

body before easing her g-string aside and sliding it right up her cunt. We love to watch each other wank while we talk dirty to one another. I got her to beg for some really big cock and she got a real surprise when Bill walked in with his huge cock in his hand. Her jaw dropped on seeing the size of his monster cock and she carried on wanking. Bill got her on all fours, lifted her skirt and took her from behind. Sheena was soon gasping and crying out loud, "Yes, more cock uncle Bill, give it to little Sheena. All this time and I've never seen uncle Bill's cock… Fuck me with it." I moved round the front and offered her my cock which she sucked greedily. I called out to Bill not to spunk in her, but over her as she loves it. Bill was about ready and moved round next to me and pushed his knob in her mouth, as I pulled mine out. Sheena was loving it and began using the dildo again. Bill's cock slipped out of her mouth and she began crying out that she was coming. I couldn't have agreed more and started spurting come all over her face and hair as did Bill.

Sheena thanked 'uncle' Bill for servicing her with his immense tool and went to have a shower. Bill thanked me and confessed he'd often wanked over the thought of getting his fat cock up her. There's been a few more sessions since and, of course I'm going to get to fuck Jackie, but that's going to have to wait until next time.

Andrew, Torquay.

Footie Fans

My ladyfriend has had a thing about feet ever since we first met and so have I, come to that. In fact it was feet that brought us together in the first place.

I was in a friend's car – I don't drive myself – when we suddenly spotted this fantastic looking girl, about 20, in a lay-by trying to hitch a lift. She was wearing a red top and a short leather skirt. She'd put one of her legs on her vanity case, which exposed her red high heels, black fishnet stockings and suspenders to maximum effect.

My friend was a foot man too, so we decided to take a chance and take her with us. At first we talked inanely about this and that, before the conversation got a bit spicy as we got on to the subject of fetishes. You've guessed it…feet and we began comparing notes on it.

To cut a long story short, I started dating 'Footy' Felicity, as I now call her and no sex session is complete without me caressing her nylon-clad feet every which way. We also indulge in dressing up games where Felicity wears all kinds of stockings, suspenders, tights and even schoolgirl knee socks for me. Now and then we fantasise she's back on the lay-by where I first saw her – dressed accordingly.

Through experimentation we have discovered the right and wrong ways to enjoy our fetish. We like to bathe together before a toe-job, or whatever foot fad we feel like at the time. Felicity sometimes sits cross-legged on a stool for me so I can paint her nails – a real turn-on. Erogenous zones are of paramount importance in our love-life and Felicity likes me to go from the tips of her toes to the tip of her nose.

Yours, for our fave mag,

Martin, Ryde Coast.

I Want! I Want!

Dear Ravers,
I would like to say how much I enjoyed the Bang Gang Special. Are there going to be any more? If so can we have more messy sets? I'd like to see all sorts of food over their naked bodies. Why not do a Bang Gang set in the kitchen with them making a cake, they could have the cake mix in their hair and running down their faces; just like the Bang Gang food fight in Vol.1 No.9. Can we have a Bang Gang set with just black women? They could do a massage set, or a messy food set, or in a large bath or a sauna. How about a Bang Gang with women who have had body piercings, or women with large and long nipples? What about more drooping fannies? Can we have more flirty 30s, or how about older women? (**We've got naughty 40s and flighty 50s lined up already – Ed Asst**)

There are so many different Bang Gangs to do, so keep them coming and I'll keep buying them.

Yours,

Desmond, Bath.

Take My Wife

Dear Ravers,
The letter from Sid in Dawlish ("Dear Delilah" Vol 1 No 12) about milk coming from pregnant women while they are being fucked does happen, I've seen it.

My wife Joan and I have four children, but only one is mine. We have an open marriage and my wife is 10 years younger than me. I have watched her making love with all her lovers, if you've never watched your wife being fucked by other men it's an experience I can't put into words.

Fucking my wife when she is pregnant through another lover's cock, and watching her big belly swinging about, knowing the baby isn't mine is electric. Joan gets a thrill out of me breast- feeding on her milk-gorged tits.

Two months after giving birth to the third child, two young lads had her as I breast fed from her, while Joan told them to knock her up and give her another belly full. It's the ultimate wife watching experience. I know we're not the only ones who are like this as we made contact with a similar couple two years ago.

Keep up the pregnant photo-sets as we both love seeing them. I'm sure there are other readers with similar stories and lifestyles like ours.

Peter and Joan, Durham.

P.S How about some pregnant readers' wives?

Round-Bellied Bonanza

Dear Ravers,
I must congratulate you on a wonderful mag. I have been fascinated with pregnant women for a number of years, but no one catered for this market before you came along. I have had numerous wanks over the preggie models shown so far keep up the good work.

I also like hirsute women, particularly the girl

Dear Ravers,
I work as a chambermaid in a four star hotel. Sometimes the work can be very horny. Let me tell you about the time we had a convention. I was told to clean all the rooms after the convention had finished. Off I went, not looking forward to the mess a group of men would leave in their rooms.
I went into one room and decided to clean the bathroom first when I caught a glimpse of a magazine tucked behind the toilet. I reached behind to see what it was. What a nice surprise, it was a porn book about lesbians.
I flipped through the pages and sat on the loo reading a story about two lesbians planning to seduce their best friends. The story got me so hot that I just had to slip my hand down my panties to my soaking wet cunt.
I slowly started pushing my fingers in and out of my tight juicy pussy, taking them out and sucking my hot sticky fingers deep into my mouth. I quickly licked them clean and placed my fingers on my erect clit and started to frig myself to an orgasm. I was moaning out loudly and rubbing my 36C tits through my blouse. I took hold of the front of my bra and unclipped it letting my tits fall free, but not for long as I started to massage them, rolling the erect nipples between my thumb and finger, God, it felt wonderful.
Just then I heard a cough at the bathroom door. I looked up shocked, but was unable to stop frigging myself as I was so close to orgasm. There stood at the door was a man about 25, black and very tall. He was smiling as he walked into the bathroom he was rubbing the front of his trousers. The sight of him undoing his flies sent me over the top into a long ecstatic orgasm.
Within seconds he had his cock out, waving it in my face, God, what a lovely cock, long and thick. He placed his hands around my head and pushed his cock into my mouth. My lips opened and I devoured his hot throbbing cock as he started to fuck my mouth.
My hands slid up to his buttocks, pulling him deeper into my mouth. I wanted every inch of that cock in my mouth. I slid one hand around to the front, undoing his button letting his trousers fall to the floor closely followed by his boxer shorts. Jesus, what a pair of balls, all tight and round. I took them in my hand rolling them around as my mouth slid up and down his cock. He let out a moan as my lips came into contact with his stomach, all that cock now firmly in my mouth with my tongue sliding up and around his shaft. His hands were now sliding around to my tits and he started to squeeze and stroke my nipples. He pulled me up, my hand now replacing my mouth, slowly wanking him.
I just had to have his cock in me. My panties now around my ankles - I stepped out of them. As I did so my lips were kissing and nibbling urgently up his neck and around to his oh so gorgeous lips. That first contact with them sent me into a mini orgasm, as I whispered in his ear, "Oh please, fuck me!"
He turned me around, pushing me down so I was bent over the toilet. Feeling that cock sliding over my arse cheeks, rubbing it against my anus and working it slowly down towards my now burning hot pussy. The juices were just running out of me, all over my thighs. Then he slid into me, stretching me to the limit. He slowly started to push it in and out giving me orgasm after orgasm, building up his tempo, his balls were banging against my cunt and arse.
I could hear his breathing quickening, his thrusts becoming more urgent as he neared his climax. My knees were weak and buckling underneath me from the orgasm that was ripping through my body. Then the first moan escaped his lips and his cock seemed to swell. I felt the first spasms as he started to spurt his hot come deep inside me. He came spurt after spurt, jets of hot come sending me into a long multiple orgasm and onto my knees with my arse in the air.

Hot, Suite & Sticky

My lover dressed himself and helped me to find my clothes. As I was getting dressed he said his first words, "God, you're one horny bitch!". "You have to be in this job, besides it's all part of the room service," I replied. We collapsed laughing into each others arms, we kissed again and he said his farewells.
Angela, Leeds.

We quite often get visited by saucy young lettuce shakers, and this set was no different. When the pant-tearingly horny Michelle (dark red hair and pouting young breasts) popped in and offered to do a bit of light secretarial work for us, we all leapt at the chance of having such rampant totty at our beck and call. Things got even better when her jauntily-titted friends pitched up and the three of them decided to re-enact their first ever modelling session with the Editor, with Michelle pretending to be the Ed. I know that secretaries outfits aren't strictly a uniform but hey, we figured you'd cut us some slack when you saw the antics the girls got up to!

shown on the "Dear Delilah" pages (Vol 1 No 10). You would really make my day if you showed a hirsute preggie woman with hair on her belly and her tits.

The picture of my beautiful wife, Louise, was taken when she was eight and half months pregnant. Her tits increased from their normal 36C to a huge 42DD, with stubby nipples and huge aureola. Is she your first preggie lady from N. Ireland? (**I guess so – Ed Asst**)

She also enjoys the preggie models in your mag and the readers' wives. Printing this photo would make our day and I will send you more snaps of her hirsute pussy.

Fucking Father And Son

Dear Rave On,

This letter is my revenge on my husband for all the hurtful things he's said to me during our two year marriage and after he's read this I expect he'll want to divorce me on grounds of adultery. I have slept with two men – his elder brother, and his father.

I know he reads Ravers, I've found them hidden around the house and caught him masturbating over the girlie pictures. He told me he did it because I was useless in bed and wouldn't do as he wanted, namely suck him off. When we married I was still a virgin and I didn't want to rush things.

I've since found out it's not me who's a lousy lover, it's him and what I thought was a real man's penis is a toy thing. Lee always bragged about his cock and I thought four inches was big until his brother, Neil seduced me. That's when I found out how good being fucked could be. Neil has eight inches of manly cock flesh and I found myself responding in a way I never thought I could and I willingly took his manhood into my mouth, gladly swallowing his thick come.

Mind you, I suppose it was only a matter of time before someone else showed an interest in me. I'm young, pretty, blonde, I've nice legs and a 35-23-35 inch figure. I always dress to please in short skirts and sheer stockings. I must've looked very down for Neil to take a chance like he did because he's married as well. I'm

It's a shame this girl's called Julie, really, because we wanted to open this blurb with a bit of a Sound Of Music feel. Y'know, a sort of "How do you solve a problem like Maria?" singalong. In Julie's case, it's pretty obvious: give her some fags and a huge Jeff Stryker dildo! I cannot believe that someone so innocent-looking could get that much rubber knob into her mouth. I wonder if it's a case of a spoonful of sugar helping the medicine to go down?

Being good mates with all the top Editors in the porn industry hasn't done *John Mason* any harm. This month, the Ed sent him over to Brussels to cover the sex convention there. We haven't seen him since, but he did find time to fax us this report.

love in Brussels

When the Ed said he wanted me to go over to Brussels to report on all the sex-ploits at the sex fair, it didn't take me long to reach a decision. After all, it was a toss up between a weekend at moment – I even had to put my hat through the X-ray machine. Brussels, however, is as boring as the Euro-prats who make policies there. But to get to the wheat, you

home playing with my belly button fluff, or going on an expenses-paid trip to the heart (or should that be fanny) of Europe's top porn producing nation. (No John, we don't pay expenses – Ed). So, armed with camera, toothbrush and belly button fluff remover, I made my way to Heathrow which, as you can imagine, is very security con-scious at the

have to plough through the chaff, so I wander on, attracted like a rat to the Pied Piper by the promise of hot sex. Imagine my disappointment when the first people I bumped into were Shag and Mutt (along with Mrs Mutt) from TVX. "Here, you want a good laugh?" said Shag, "I've just seen Vinny Curran in a suit." Getting a picture of Vinny (top UK porn geezer and hubby of bonkathon star Marina – Ed) in a whistle took precedence over everything else as he usually only wears them at weddings (his own), funerals (other people's) and court appearances (his own). Sure enough, I found Vinny at the X-Kiss stand, looking like someone had pressed him before he came out, along with a couple of his girls. One of them is introduced as Steph who, according to Vinny, "Gives a great blowjob." Naturally, I'm more than happy to meet her.

The sex fair was open to the public, which makes you wonder why they don't have things like this in Britain. If we accepted the industry like this in the UK, the seedy image would disappear in a flash.

Most of the big names in Europorn were here – Private, Magma, Sarah Young and Helen Duval amongst them, as well as Dutch stars like Lady Madeleine, the self-styled Queen of Piercing.

Wandering round, I bump into Kym Dalton, star of the Lovers' Guides, model and erstwhile Gladiators contender, obviously doing a bit of research.

At the Helen Duval stand, Oliver Czech could be found advertising the charms of Monique Covet, a woman he's grooming to be the 'new' Helen Duval. As the 'old' Helen was in the building, I went to ask her what was up, after all, everyone likes a bit of gossip. However, she remained pretty tight-lipped (Wahay! – Ed), citing "personal differences," as the cause of the split.

All in all it was well worth the visit. The only small complaint I have was that many of the stalls had been put together with the bare minimum of thought, although there are always a few that catch the eye. My vote went to the stall featuring the girl in a cage – a valuable addition to any living room – while a few offered visitors the chance to be photographed with a naked porn starlet. (That's where the Ravers staff would've been, then - Ed Asst). (No mate, I'd have been off meeting Vinny's girl Steph! – Ed).

very glad he did as he gave me a new lease of life and always made sure I got full enjoyment every-time and we continued our affair for nearly six months before I succumbed to the charms of their father.

Gordon's a great looking man, he's 49, but he acts much younger. He's a widower. He found out Neil was looking after me. He caught us at it one night and warned Neil off, and our affair ended that night. But I didn't know a better one was about to start!

In my anger I told Gordon all about his other son wanking over girlie pictures. He saw that I was upset and needed loving. He consoled me and we ended up in bed making love. Gordon's even better hung than Neil and he's such a considerate lover. He was also the first man to fuck me without wearing a condom. It was so lovely that first time, feeling his hard manhood thrusting so deeply inside my belly. I surrendered myself completely to him and he gave me orgasm after orgasm. He did pull out as he started to come, but I wrapped my legs around his waist so he couldn't leave me. I gave Gordon everything that night, I sucked his beautiful cock, swallowed his come. He took me from behind and I swear I could feel his huge tool tickling the back of my throat! I loved him for it and I didn't care if he made me pregnant.

That night Lee didn't even notice the change in me or my pink, swollen pussy; he just grabbed his copies of Ravers and went into the bathroom. I heard him grunting and groaning before he returned to the bedroom. I lay there fingering my satisfied fanny and I said to him, "What would you do if I told you a real

RAVERS GUIDE TO MESSY SETS

Cream, yoghurt, the odd cake and plenty of naked women – no, not a long night in the editor's bedroom, but all the essential ingredients for a Ravers messy set. To the untrained eye, Ravers' messy sets may look somewhat disorganised. A mish mash of food and naked flesh, but it is in fact a very complicated process. Photographer and messy set expert, John Mason has kindly offered some tips on how to create your very own messy set.

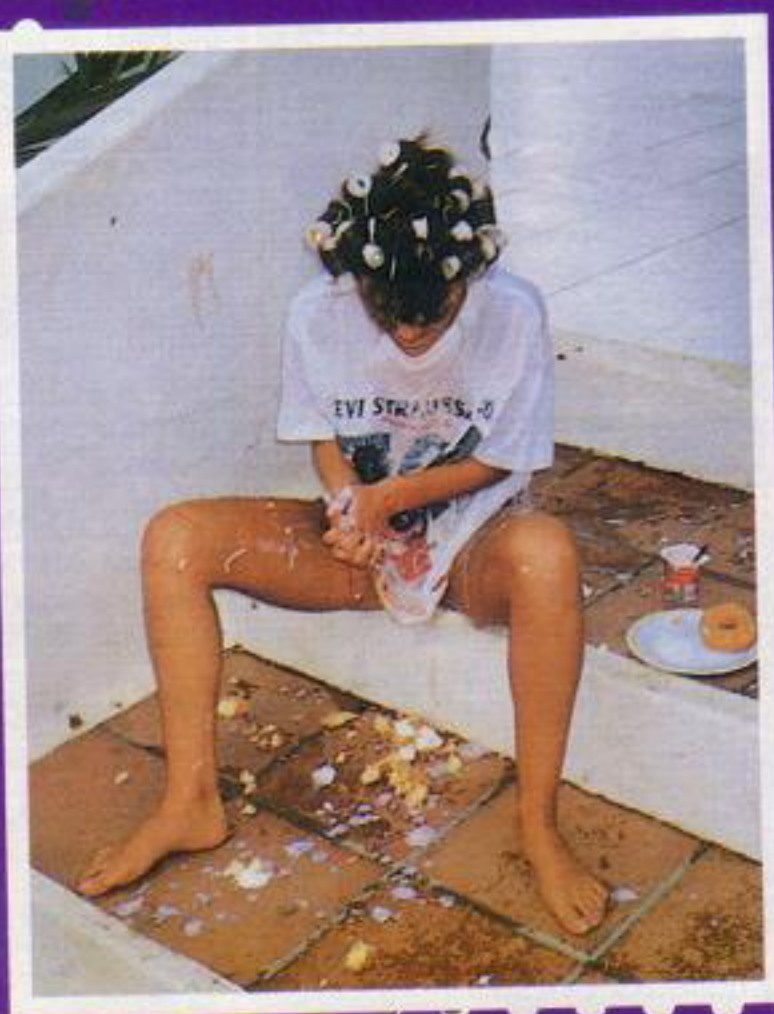

1. Preparing your work surface
"Remember your model is your canvas, so make sure it's clean and stripped bare. No one likes to see blotches or unsightly stains, be especially careful around all those cracks and other hard to reach places. Here I'm using a yoghurt-based undercoat. N.B. DON'T use sandpaper!"

2. The Tits
"An important area this one. Make sure these are well smeared in something. If nothing else it's an excellent opportunity to cop a feel."

3. Eating The Props.
"Tempting I know, but under no circumstances do you let your models eat the props. Sat next to a mountain of food, I took my eyes off Sammy for a minute and she wolfed down the lot. The next thing I heard was the sound of food splashing on the patio as she barked it all back up again. Silly girl!"

4. The Brut method.
"Remember it's supposed to be messy so like 'our 'enry' splash it all over. One word of warning, though; if you're going to use cream or custard make sure it's comes from a can. Some girls might complain if you start using the trouser variety."

"I wander up and down the aisles asking passengers if they'd like something to suck on before we take off," Shanine told me as she posed for these shots. As an air hostess she does get about a bit, "I serve all sorts: rich business types, pop stars, sports people and loads of other celebrities."

Soon after this shoot was finished Customs arrested me in the gents. I was finally released after a humiliating strip search when they realised the white stuff in my trousers had nothing to do with drugs.

Rave On!

man's just fucked me silly and made me pregnant?"

"Who in their right mind would want to?" was his response. I dressed and left for work feeling a warm glow inside that I'd never felt before. All day I longed to return home so I could get back to Gordon and his manly cock.

Since then I've taken Gordon to bed every night. I don't bother to take precautions as I want his baby inside me, and I've got it. I'm six weeks overdue. One night I dressed up in my wedding dress, as I wanted to be a bride for Gordon. You should've seen his face! He took me there and then while I was still wearing the dress and it felt wonderful. The dress ended up as rags, but it was the best night of my life and Gordon knew I was giving myself to him forever.

If Lee won't divorce me I'll divorce him as Gordon and I want to get married. I've found a real man, a man who will father my children, a man who will be able to satisfy me in every way. What more can a girl ask for?!

Caroline, Ealing.

Pregnant Pleasures

Dear Ravers,

My name is Lynn. I live in Sheffield with my husband, Keith, and our four children. I have spent about a third of my married life being pregnant, which in itself has presented me with problems! You see, for some strange

reason, my husband refuses to have sex with me when I'm pregnant. I, on the other hand, become very highly sexed during pregnancy. As a result, my husband and I have been sexually incompatible for one third of our married life. Not a good thing at all, as far as I'm concerned! A woman like me just isn't prepared to go without sex for so long, so naturally, unbeknown to Keith, I've strayed...in a very big way!

The first time was a few years ago now. I was about five months pregnant with our first child and I'd been swimming with a friend of mine. I noticed that a young man had been watching me closely. In fact, he couldn't keep his eyes off me. I was 32 at the time and I reckon the young man was about 20 or so. When he came a little closer, I noticed the bulge in the front of his trunks! I looked down at it in an attempt to embarrass him. The reverse happened! He simply told me that he found pregnant women very attractive. I was surprised and flattered by his compliment. Up until then, I had assumed that my husband's attitude towards pregnant women was probably typical of all men. Apparently not! I got talking to this young lad and during the course of the conversation I mentioned, in passing, where I lived. I thought nothing more of it!

A few days later I was at home on my own and he paid me a surprise visit. He said he was just passing and wondered how I was managing. I asked him in and we started talking again. He asked if he could feel the bump and he placed his hand on my tummy. The mere touch of another man's hand on my tummy was enough to send shock waves all through my body! I placed my hand on top

THE NATIONAL FROTTERY ROLLOVER!

It Could Be You!

Yes, it's back! Forget Bob Monkhouse, because with Ravers, everyone's a winner!

Pick six magazine pages from one to 100 and jot them down. Once you've done that, you and your partner should open your copy of Ravers at the page numbers you've written down and begin to frot yourselves.

If either you or your girlfriend orgasm on the same pages as our panel of independent judges and supply us with photographic evidence of your partner writhing in ecstasy on a bed with a sign saying: "I love Ravers!" we'll send you absolutely NO PRIZE whatsoever! No money wasted on tickets, and no newspaper stories about a syndicate of 10 shelf stackers who swear the money won't change their lives. If we receive some really outrageous photos, we'll print the best and the winners will receive free subscriptions. Please note, entries including criminal records will be given priority because they make better tabloid stories. Send your entries to: Hot To Frot, Ravers, Galaxy Publications Ltd., PO Box 312, Witham, Essex CM8 3SZ.

And remember - it could be you!

Mystic Smeg says:

Looking into the cards, I see that this month's winner has a small intestine, heart, brain and all four limbs. The letters a, e, i, o and u are important, and the winner will live in a building with walls and a roof. He will breathe air and eat food and has once been on a red bus.

OR SALE

I've yet to meet someone who hasn't had a go at a traffic warden at some point in their life. But what if you wandered up and saw this little corker leaning over your bonnet and sliding something under your wiper? Puts a different complexion on things, doesn't it? That little white blouse straining away under the pressure of her big whoppers and a nice set of black stockings and suspender belt. Marvellous stuff. She could give me a fixed penalty any day of the week, although I'd prefer it if she gave me a damn good clamping...

We'd like to apologise for this set. Originally, we'd hoped to get hold of a real NASA space suit. Until we found out how much they cost. Our next plan was to do a spoof of a well-known science fiction series, until we found out how vigorously they protect their copyright. So, rather than get our arses sued off (twice in one year really would be pushing it), we were forced to compromise and give you this more general sci-fi shoot. Well, it was either that or go out of business. Still, look on the bright side; Ellens' got a lovely pair of knockers, eh?

"Quick! Call the Fire Brigade!" cried the Ed, "My pants are on fire!" Within minutes, the sound of sirens could be heard in the car park and Tracey kicked the office door down and sprayed his roasting underwear with her huge hose. It made a change to watch a woman give him a good soaking, I can tell you. But, true to form, the dripping wet Ed still managed to coax her out of her uniform on the pretence of checking her for lice (his infestation has all but cleared up, but he still uses it as an excuse). Tracey's a babe, and we have nothing but the utmost respect for anyone willing to risk their life for their job. After all, the Ed does every day.

Wendy told us that one of her ultimate fantasies was to work as a chambermaid in an old country hotel. So how could we turn her down?

"I'd love to be tidying some rich, handsome bloke's room and, while he was in the shower, I'd slowly strip off and writhe around on his bed in a state of sexual ecstasy. Then I'd leave quickly and quietly, leaving him to wonder who I was." Sounds like my wife, actually...

Kerry's Privates

Don't be fooled by the way Sergeant Kerry innocuously handles those spuds, she's a trained killer. Armed with a pair of primed chest torpedoes and a pink clam mine, she can disable a man by simply bending over. When Kerry went home after the shoot, the trail of carnage left in her wake was unbelievable. Like an explosion in a custard factory – steaming pink flesh everywhere. When I told her about it she laughed and said, "Hey soldier, I love the smell of burnt palms in the morning."

The Bang Gang

Cop A Feel

Once they got in the police station, the Bang Gang couldn't wait to take down their particulars. Officers of the Law are supposed to be incorruptible, but just look at them! In a flurry of truncheons and helmets, they got to work in the interrogation room and had suspects begging for mercy. Meanwhile, the Editor, in a bid to get himself thoroughly frisked, ran about the place screaming, "I am Mr Big, I am Mr Big." But the girls saw through his idle boasts and had him up for having an offensive person on his weapon.

Well here it is, the classic male uniform fantasy – the nurse. And the adorable Monica more than does it justice. Under that stern, starchy exterior, her quivering flesh is encased in stockings and suspenders. A bit of 'Oh no matron, no,' then it's a quick bed bath, followed by a full body greasing and then some vigorous manual manipulation to reduce that nasty swelling in your groin.

If you're having any problems with your motor, bring it to Toni's garage. She's not trained or anything, but spend half an hour with her and you won't be able to walk, never mind drive again. She does offers a smooth, comfortable ride and comes (sic) fully fitted with airbags and a smooth stick shift. My only complaint is that despite all the grease she still squeaks and squeals an awful lot.

WOMEN IN UNIFORM

IT MIGHT HAVE BEEN A CRAPPY SONG BY IRON MAIDEN, BUT IT'S ALSO ONE OF OUR FAVOURITIST THING'S IN THE WORLD. BUT WHY, FOR HEAVENS SAKE?! WE ASKED JACK MEOUGH TO HAVE A THINK ABOUT IT, AND THIS PILE OF SECOND RATE DRIVEL IS WHAT WE ARE GOING TO PAY HIM FOR...

What is it about girls in uniform that gets men going? Why do nurses get men so steamed up? Is it the thought of black stockings and suspenders under that prim, starched uniform, or the promise of a bedbath and a quick wank while you lie there helpless that does the trick?

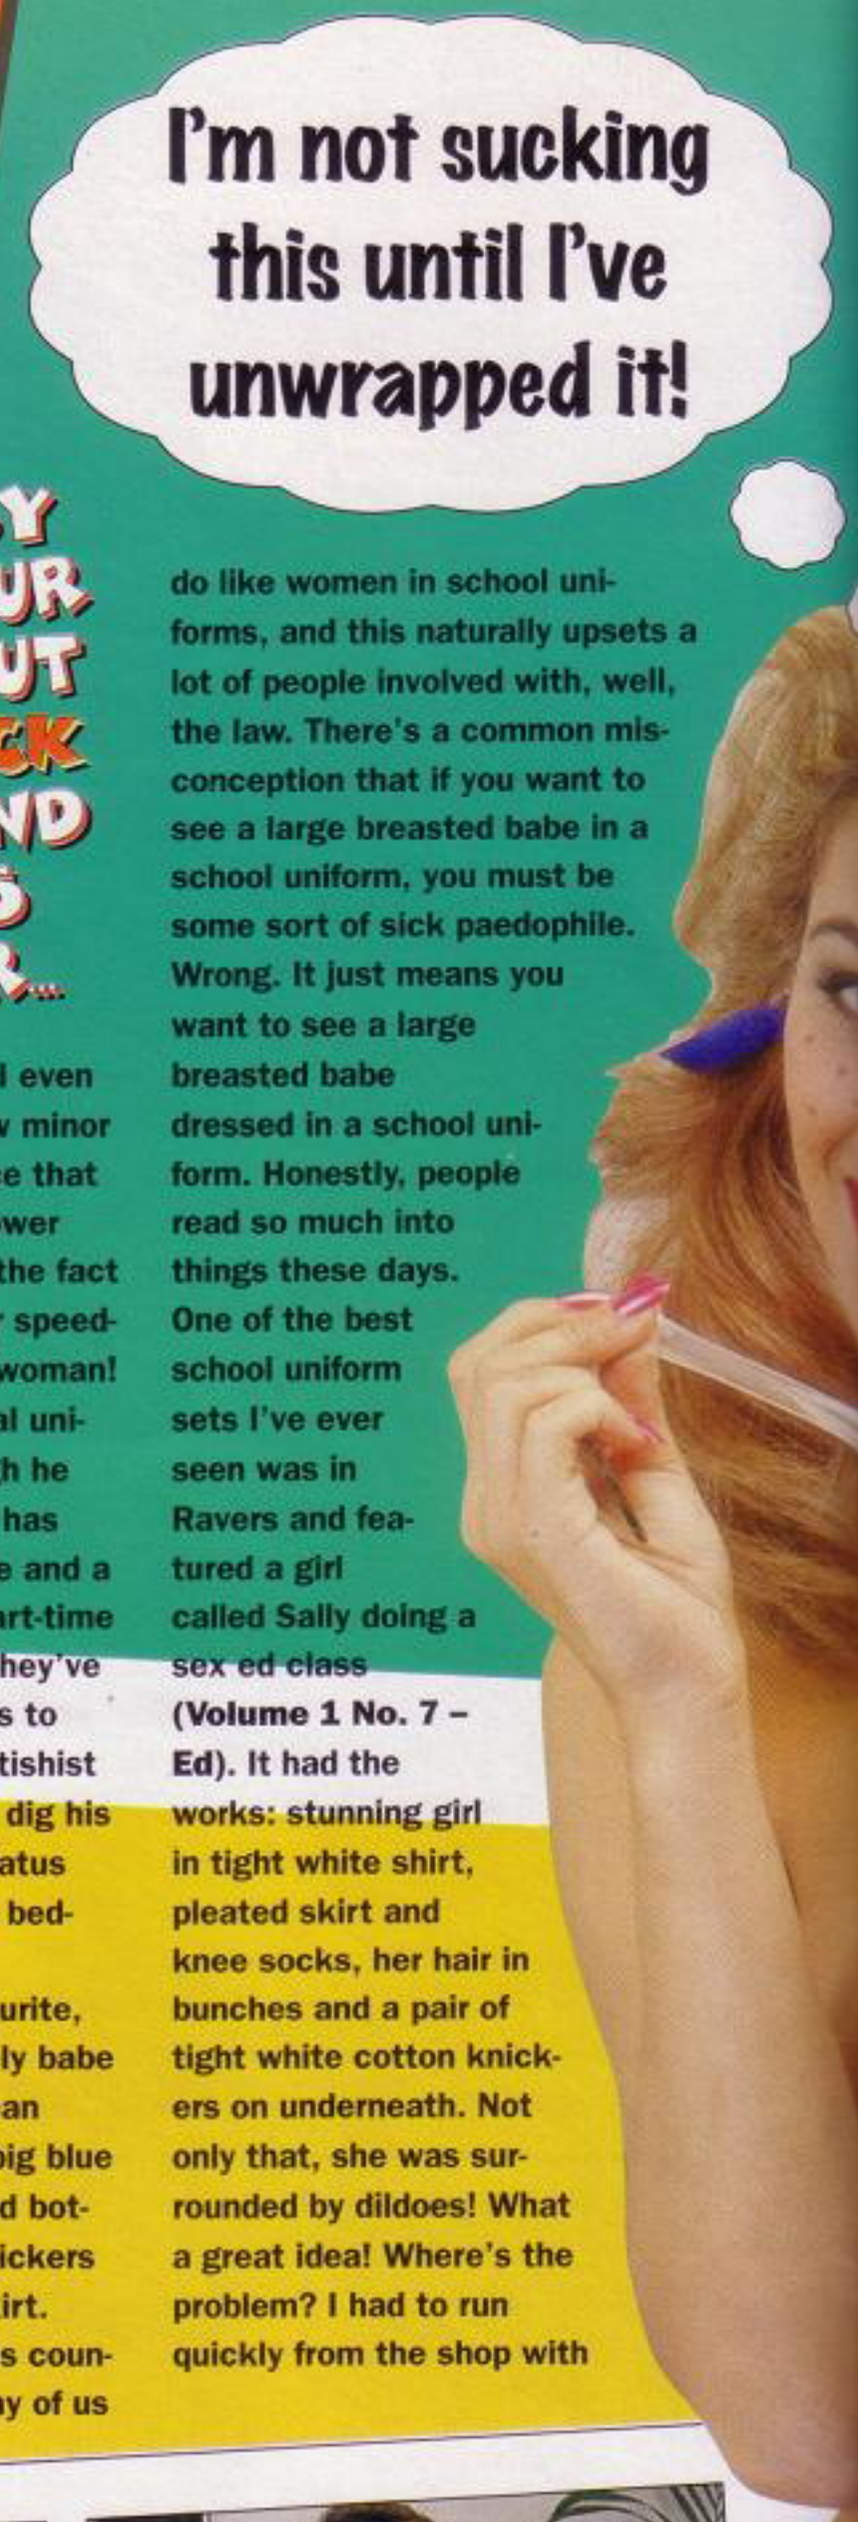

Take traffic wardens for example. Okay, so the girl in a traffic warden's outfit might get your motor running, but once she starts writing out a ticket for your car, you're likely to view her in a different light. Personally, I've always had a bit of a soft spot for air hostesses, mainly because I flew on Cathay Pacific a few years ago and had several stunning Oriental hostesses at my beck and call for 20 hours, filling my every need. Well, every need except helping me to join the Mile High Club, that is. But at the end of the day, an air hostess is just a reasonably attractive girl wearing too much make-up, a sickly grin and a suit. Nothing special about that, is there? You can get that in your high street bank when you ask for a loan, for Chrissake.

My other favourite is policewomen. They've got the lot, haven't they: uniform, handcuffs, fast cars and free reign to give you a body search on spec. In fact, I even managed to meet the best looking one in the Essex force last year. She and another WPC came round to the house to pick up some property I'd found, and my jaw nearly hit the floor when I opened the front door. There she was, this tallish blonde with her hair in a pony tail, a nicely starched white shirt which was taught over her breasts and trousers which hugged her backside just enough to make you want to feed her your truncheon. Luvverly. I even considered breaking a few minor laws just on the off-chance that she'd nick me. All that power and sex appeal on top of the fact that she could quosh your speeding tickets, now that's a woman!

A friend of mine is a real uniform fetishist, even though he doesn't admit it. His wife has been a paramedic, a nurse and a copper, and now he's a part-time fireman. Between them, they've got enough kinky uniforms to keep even the perviest fetishist happy for a week. He can dig his hose and breathing apparatus out while she gives him a bedbath or the kiss of life.

I'd say my all time favourite, though, is seeing a shapely babe in a school uniform. You can keep your gym slips and big blue pants, all I want is a round bottom in a pair of cotton knickers under a short charcoal skirt.

The main problem in this country is the fact that so many of us do like women in school uniforms, and this naturally upsets a lot of people involved with, well, the law. There's a common misconception that if you want to see a large breasted babe in a school uniform, you must be some sort of sick paedophile. Wrong. It just means you want to see a large breasted babe dressed in a school uniform. Honestly, people read so much into things these days. One of the best school uniform sets I've ever seen was in Ravers and featured a girl called Sally doing a sex ed class **(Volume 1 No. 7 – Ed)**. It had the works: stunning girl in tight white shirt, pleated skirt and knee socks, her hair in bunches and a pair of tight white cotton knickers on underneath. Not only that, she was surrounded by dildoes! What a great idea! Where's the problem? I had to run quickly from the shop with

that issue and discuss it at length with my friend in the bathroom mirror. We both reached the same verdict on it. Quite literally.

See, if women wearing school uniforms actually had anything to do with schools themsevles and anything overly pervy and illegal, surely other parts of school life would be top fetishes as well? What about Dinner Ladies? There's a legit uniform fetish, and you never hear about that now, do you? What's wrong with the idea of a 50 year old woman who smells of chips and wears a hair net all day? Sounds great to me, and you'd get free second helpings.

Many of us have fond memories of teachers we'd have loved to have pumped (unless you went to a boys' only school. Mind you, I don't know...), but because there's no uniform there, we can't really count it in this article. Unless having coffee and cigarette staff room breath counts, of course.

Another oft-ignored uniform girl is the cinema usherette. These days, the uniforms are fairly tame, but if you visit the kind of cinemas I do, where the seats are a little on the adhesive side and the audience mainly male with the odd cross-dresser thrown in, the outfits are a bit more adventurous. Y'know, short pink skirts with ruffled, fluffy petticoats and the like. No wonder the seats are sticky by the time the ads come on. Of course, if you're involved in the hotel and catering trade, you've got hot and cold running maids on tap, plus waitresses to put a smile on your face during the day. You really can't beat a good French maid's outfit unless it's a 'real' one with the long dowdy skirt and what have you. Who wants to wear that crap? Nah, you want a nice short black skirt with white petticoats so that when she bends over, you can have a long look up at her knicks. Marvellous image, but it's more of a fantasy than a reality. Ponder that the next time some huge fat bird comes into your hotel room to change your towels and fluff your pillows!

But what about the gals? A lot of women 'love a man in uniform'. Especially a dress uniform; cams aren't such a big turn-on for girls these days, not after seeing Robson and Jerome scuttling around the undergrowth. Christ, with those two as ambassadors for the British Army, I'm surprised that a tiny non-nuclear power hasn't tried to invade us yet. Someone like Iceland. "Well, if they're the cream of their Army, we'll fuck 'em in a war, Mr President." Keep your eye on Magnus Magnusson: he could be a Fifth Columnist.

I took a straw poll at work to find out whether or not military outfits on girls were as interesting as, say, nurses uniforms, and the answer was a big, squealchy 'no', which doesn't surprise me. After all, there are only a few places to hide a Browning 9mm, and those uniforms are about as sexy as the Roly Polys at a Lycra fashion show.

No, the only military uniform worthy of mention here would have to be the ones worn by women in the Navy. And that's just because I like to think about the amount of semen (sic) your average WREN sees at work each day...

The office, eh? A hot bed of sexual innuendo and intrigue. Whether it's brushing past the secretary in the corridor, or bumping into the lovely young receptionist at the photocopier; the chance of an 'accidental' fondle is never far away. And when Summer arrives, the naughty little temptresses flounce about in short skirts and flimsy blouses, just like the lovely Jenny here. It reminds me of that movie **Disclosure**, only Jenny doesn't have scary thighs...

BLACKBURN RAVERS

TailEnds

Photographed by **John Mason**

And he's football crazy, he's football mad...Hurst, Nobby, El Tel, big Glenn: everyone a top English footie type. So I don't give a toss about them, because I'm a Jock. We love footie north of the border, it's just that we don't believe it should be an organised thing; after all, look at our team. That said, I do happen to support an English side too, and wanted Misha to model their new strip. The only problem was that she refused to be seen in a Derby County shirt, claiming that it would only give me an opportunity to make lots of jokes in the studio about 'rams' and sheep, which just wasn't true. I wanted to do loads of gags about getting Misha to go down next season...

of his and moved it all around the bump, and then I moved it up to my boobs! "Squeeze them," I said. He did and it felt gorgeous. I'd had no physical contact with Keith for five months.

"Have you got any milk yet?" he asked as he continued massaging my boobs through my blouse. I asked him if he'd like to find out! I took him by the hand and led him up to my bedroom. I stripped naked and stood in front of him. The sight of a heavily pregnant woman was clearly getting him going. I stroked the bulge through his jeans and told him to strip. He stood in front of me completely starkers, his huge knob standing erect and pointing towards me! We got onto the bed and he got in next to me, running his hands over the bump and massaging my boobs. I grabbed his hard cock in one hand and slowly started to wank it, pulling his foreskin over his bell end.

"Well, have I got any milk then, big boy?" I asked. He started to suck my nipples, gradually sucking harder and harder. I pulled my tit out of his mouth and started to squeeze the hard nipple between my fingers. A drop of clear juice dripped from my nipple and I asked him to lick it off. His long tongue brushed across the tip of my nipple and took the juice. I squeezed the nipple harder and started to milk my tit. Milk was now squirting out of my nipple like milk from a cow's udder. I grabbed the lad's head and held his mouth a few inches away from my tit, then milked myself into his mouth. the milk was jetting into the back of his mouth. He was loving it.

My hand was still wanking his lovely cock as he suckled on my tits. I could feel his excitement growing. I knew he was about to come. I directed his cock to my bump and he shot his thick white cream onto my tummy. Several jets of cream shot out all over my bump. I rubbed my hand all over and massaged his spunk into my skin. I was desperate for a bit of cock inside me.

"Ever fucked a pregnant woman before?" I panted. "I'm about to, love," he said. I climbed on top and straddled his young body. His cock slipped inside my pussy and started to do the business. The thought that he couldn't get me pregnant and that he could come inside me was really arousing. His cock felt so big, almost splitting me in two as he fucked it hard into me. We came together as he filled my fanny with sperm. What a wonderful find he turned out to be!

I couldn't believe how much better sex was when I was pregnant, and Keith would never know! During each of my four pregnancies I've had regular sex with several men. I love being pregnant now and I'm planning a very large family!

Lynn, Sheffield.

SPECIALS SUBSCRIPTION!

Hey, every issue you see the same old form offering subscriptions for Ravers. Yet the Special Issues aren't included. Why not? you ask. Simple, we reckon that the Specials deserve a form of their own, as there's nothing we like better than the opportunity to put together another form. We live for it. So, here's your chance to get those Special Issues sent straight to your door in a nice plain envelope that disguises the hot contents from the postie. For the princely sum of £21.95 in the UK (£25.95 airmail or $40.00 US) including postage, you'll get six big issues of Ravers, including the Xmas and Summer specials. As for the other four, well we've got to keep that under wraps for now, but believe us when we tell you that they're really something.
